COMPANY OVERVIEW

- Ahmed Yousef Behbehani is a general trading and contracting company based in Kuwait. We are one of the largest groups, in terms of volume in business and the range of products marketed by it, in Kuwait. Our trading includes from various luxury watches and luggage accessories to various communications systems and IT infrastructure products. With representation from some of the world's largest companies like Audemars Piguet, Vacheron Constantin, Breitling, Mitel, Molex, Legrand, continues in its objective to provide superior and gratifying services to its valued clients. The renowned Ahmed Yousef Behbehani Group will draw on its 41 years of experience in the field having been founded in 1978, to implement these strategies, in order to provide the best to the customers and prioritise their needs.
- Our low voltage and data communication division includes the supply, installation, commissioning and maintenance of various products like structured cabling, wireless network solution, IP telephony, Video surveillance system, IT outsourcing service, Network and system support, wireless radios, Industrial intercoms, Paging solutions, UPS and industrial battery, Public address system, Conference system, commercial & educational software and many more low voltage devices.
- We have been a partner for Mitel (formerly Ericsson) for IP /TDM PABX, we are also partnered with Molex premise network for providing passive structured cabling systems, and intelligent physical layer management systems (IPLMS).
